Fluval EDGE brings an exciting new look to aquatics, combining the most modern aquarium design with the beauty of nature. The result is an utterly stylish complement to any home or office space.

**360° Viewing**
Glass top for spectacular views from all angles and less evaporation for reduced maintenance.

**Clear Healthy Water**
Easy to use cascading flow filter with 3-stage filtration for a healthy, oxygenated environment.

**Clean Lines**
The filter and retractable lighting modules are hidden from view for a clean, modern look.

---

**Tetra PRO Colour**
Superior nutrition for vibrant colours and health.

**Tetra PRO Vegetable**
Superior nutrition for health and vitality.

Created by experts to bring out the best in your fish.

**Superior to flakes**
**Excellent fish condition**
**Two formulas in one**
**Better water quality**
**Fish prefer Crisps!**

The health and condition of your fish directly depends on the diet you choose for them. That's why Tetra's industry-leading research lab développe TetraPro Crisps, to deliver the best balance of all foods. Produced at a lower temperature, and using a completely different production process, TetraPro offers better nutrition for unrivaled health and condition. It also results in less waste production, for improved water quality and clarity. The two-colour process used to make TetraPro also allows the introduction of these formula into your tank for concentrated benefit on top of a complete, balanced diet. What's more, fish prefer Crisps to flakes, meaning they get a diet they love, as well as one that keeps them in great shape.
